Prelude - New Song

The Moment

Composed by: Sruli Lipschitz
Lyrics: Chayala Neuahus

On this night the heavens smile
With that first step down the aisle
It's a new beginning
Surrounded by the ones you love
And all those watching from above

A whispered promise in the air
A future waiting to be shared
Filled with dreams of happiness
Two worlds now come together
The start of a bright forever

זה היום עשה ה'
Two souls reunite again
To build your hopes into a home
A Bayis Neeman B'yisrael

Hold onto this moment filled with light
And seize the power of this night
Our hearts are crying tears of joy
נגילה ונשמחה בו

AVRUMI'S THANKS:

TO MY WIFE LEA

First and foremost, I would like to thank you for being the best and most supportive friend, wife, and mother anyone could ask for. Thank you for putting up with me always traveling and being away from home. You are truly the strongest woman I know. Without you being on top of the schedule, updates, backend logistics of the band, and more, we would not be able to do any of this. Freilach wouldn't be here today if not for you!

MY 2 BEAUTIFUL CHILDREN RACHELI AND YAIR

Life would be nothing without you.
You two are what keeps me going!
You inspire everything I do.

MORDY

What a thrill it's been working on this project with you! The energy you brought helped carry us through. Thank you for enabling us to push our limits, always seeing and believing in our potential. You're a tremendous talent in your own right and an incredible person. It's been a real honor and pleasure working alongside you to create this masterpiece. I'm excited to work with you on more projects in the future.

TZVI

It's been quite the journey over the past few years. Through it all, you've consistently gone above and beyond bringing this band to a whole new level. Your constant hard work and tireless efforts day in and day out is one of the secrets to our band's success. You always exceed my expectations proving over and over that Freilach wouldn't be Freilach without you. All the while being the most devoted husband and father. It's a privilege to call you a friend.

NACHMAN

Nach! You are the rock of our band. I can confidently say that your talent is what forms our band. It is a true honor to play alongside you, the undisputed top Jewish

guitarist. Your constant devotion to our band and to ensuring our amazing sound means the world to me. It's a tremendous commitment to be out every night while balancing being an incredible father and husband, but somehow you manage to have it under control. Let's keep Groovin' together until 120 IY"H.

AYAL

It's a pleasure to have you on our team! You always step up to the challenge and blow us away. Thank you for adding so much to our sound. Keep Groovin!

ILAN

Thank you for being so dedicated to our band. From live coordination to social media, you have always been so devoted. In addition, you brought our social media to new heights raising the bar ever high in the Jewish entertainment industry. So much so that everyone else looks to us for inspiration. Thank you for always making sure Freilach's content is attractive and in the public eye. Your innovative ideas, knowledge of music, and creativity helps us keep doing what we do.

MORDY'S THANKS:

MY WIFE RAQUEL

for all of her love and support. I would not be able to do any of this without you.

MY 5 BEAUTIFUL CHILDREN

Tamar, Leah, Abie, Pearl, and Zahara for being the best kids ever!

AVRUMI, TZVI, AND THE ENTIRE FREILACH TEAM

It's been an honor and mamish a pleasure working with you guys on this album. Your musical talent is of course beyond, but so much more than that is your humility. You guys truly embody the word Mentch to its fullest. I'm looking forward to sharing in many more simchas together!

A special thank you to **DONI GROSS** for all your help in the studio. From cheese omlets to back vocals and everything in between, couldn't have done it without
