IT IS WITH GRATITUDE TO HASHEM YISBORACH THAT I PRESENT TO YOU MY SECOND ALBUM "KEILU".

After the release of my debut album, Shishi, it took time until I was ready to write and compose again. I began slowly, and almost every song I created, I put aside, telling myself, "Not now-maybe one day".

Ten songs later, I realized that day had arrived.

The process of finding arrangers and producers for this album was refreshingly simple. I collaborated with a small group of extraordinarily talented friends and colleagues with whom I share close relationships. It was less a business transaction and more a true partnership, a team effort built on friendship, and shared vision. I believe you can hear that heart, friendship, and neshama in every note. This album is a collection of thoughts and feelings I carry with me, and the most natural way for me to share them is through song. I hope you enjoy listening, and that the messages resonate with you.

Over the past few years, the Ribbono shel Olam allowed me the zechus of singing at Yiddishe simchos. It is not a merit I take lightly, and I am grateful for the Shlichus with which He entrusted me, to be part of those auspicious first moments of a Yiddishe home, and appreciative to all of you who have allowed me this privilege. May we continue to share happy moments until that moment of ultimate happiness, with the ביאת גואל.

Thank you for running such a tight ship, allowing me to focus on creating and doing what I love most. I truly couldn't have dreamed of a better team. You really believe in the artists you manage and that is why you are number one.

YANKY STEINMETZ
A rising star in the world of entertainment and performing arts.
איך ווייס, און דו ווייסט אז דו ביסט דאך מלך...
I'm proud of how far you've come, and grateful to have your music on this album once again. Your contribution went far beyond the songs you wrote and produced. You were there when I needed guidance especially throughout the mixing stage.
I deeply appreciate the time and care you invested, and I value our friendship greatly. Singing your compositions feels natural and right. Keep climbing the ladder until you break it and build a new one, greater than anyone can imagine.

MENDY OBERLANDER
Thank you for everything you gave to this album. The time, the countless conversations, and especially your patience. You are both my biggest critic and my greatest supporter, and I truly couldn't have done this without you.
איך ווינטש יעדע קריעיטיוו אז ער זאל האבן א מענדי אבערלענדער.

MOSHE YACOB
You are a true gem and a dear friend. So many of these songs took shape in your studio, and I'm grateful to be collaborating with you again. I have a strong feeling that our journey is only just beginning. Your passion for the music, and the care you bring to my material continues to motivate and inspire me.

LIPA BRAUNER
You turned mixing into a real art.
Thanks for going the extra mile to make sure everything is perfect. I hope "Keilu" becomes your new "Nissim".

MOTTY FELDMAN
Recording with you is a special experience.
Your middos tovos, and your golden heart compensate for the fact that you're British....
Jokes aside, thanks for guiding me so patiently!

CHESKY CHERNEY
You were the right person in the right time.
Couldn't do it without you.

MY SHVUGER
R' AVROHOM SHLOMO GROSSNASS

Your honesty and reliability make it a pleasure to work with you.
Thanks for the extra effort you put in to make sure I sound good.

MENDY HERSHKOWITZ
I learned so much from you on my journey that started with Meine Tefillin, led to my debut album "Shishi" and so much more.
You are an inspiration, a role model and most of all a real friend.
Thank you for all of your support and I hope you're proud of my work!

SRULY BESSER
You are a friend, a mentor, a client, and a baal achsanyeh (Stantzyeh), but most of all, I know that your heart and door are always open to me. Wow, am I lucky. And please don't tell Shwekey how close we are...

DOVI SAFIER, ARI HOCH, NECHEMIA HOCH (AND SRULY)
You are the support system I always dreamed of but never imagined I would find. The friendship I'm fortunate to share with you is the parting gift that Chatzi a"h left me with.

Knowing Chatzi, he'd probably screenshot this, post it on his status with a witty caption and all five of us would screenshot it and re-share.

CHAZZAN ITCHE MEIR HELFGOT
It is a true honor to host you on this album for a duet. You have been my role model since childhood showing me how one can stand on the biggest stages while remaining a Chassidisher Yid. I still have so much to learn from you.

YOSSI SCHWARTZ
I appreciate all that you did.

SHLOIME DASKAL
You are the perfect singer to share a song about Torah with. You live your life in a way that truly reflects it, and your example continues to inspire me.

BENNY LAUFER

The Secret of Shabbos

Track #4

A weary sigh, an exhausted cry,
A week reaches its end,
A setting sun, a gentle hum
Perfect peace descends

A world in parts, broken hearts
In a moment, all is made whole
Lecha Dodi, come out and see
This world, it has a soul

Tell me the secret of Shabbos
Tatte, please let me in,
In the candles glow, I ask You to show
Ohr laYehudim

Tell me the secret of Shabbos,
Tatte, please let me hear,
The harmony, of Yom Hashvi'i,
Mizmor, mizmor shir

Shadows fall, a heavenly call
To a place we've always known,
Bo'ee Bo'ee, turn around and see,
Your children coming home!

Tell me the secret of Shabbos
Tatte, please let me in,
In the candles glow, I ask You to show
Ohr laYehudim

Tell me the secret of Shabbos,
Tatte, please let me hear,

The harmony, of Yom Hashvi'i,
Mizmor, mizmor shir

איזו נשמה

AIZO NESHAMA

את השיר הזה הלחנתי בזולה עם החברים הטובים יוסי, שרגא, ופיני. אתם אצלי בנשמה.

ישבנו ביחד שעות, ישבנו, איזו נשמה, איזו נשמה,
התוועדנו ביחד שעות, ושרנו, איזו נשמה, איזו נשמה,
בסוף הבוקר עלה, ונפרדנו איזו נשמה, איזו נשמה,
אבל אחרי הכל, התחברנו איזו נשמה, איזו נשמה,

התחברנו לנשימה, שנתת בי התחברנו לנשימה שבכל יהודי
התחברנו לנשימה טהורה היא איזו נשמה, איזו נשמה יש בתוכי
התחברנו לנשימה שבכל יהודי
איזו נשמה, איזו נשמה, יש בתוכי

PIASECZNO 10

ENGLISH

Eighty three miles from Lodz
Ten and a half from Warsaw
Sits Piaseczno
As a lighthouse for Chassidus so bright,
A Beacon of Kedusha in the night
Serves Piaceczno.

Like young Yehyda Aryeh Leib
Young boys left their homes behind
for Piaceczno
To feed the soul and mind,
Their purpose to find,
in Piaceczno.

A symbol of Torah and Yirah
Rabbi Klonimus Kalman Shapira
Of Piaceczno
Teaching the young generation
purity and sanctification
In Piaceczno

The pain of every Yid is felt
Every child is a velt
In Piaseczno
The Rebbe Teaches the Masmidim
The Choivas Hatalmidim
The Piaceczner.

He said
Do someone else a favor
Tfilla with great fervor
Kedusha isn't a gift it's a daily quest

Yiras Shamayim isn't fear
It's love & humility, that draws you near
A Chussid shows his strength when he
is put to test

In the ghetto durring the war
Aish Kodesh so Pure
Writes the Piaceczner

His writings concealed in a crate
While the Rebbe awaits his fate
The Piaseczner

Watched his lineage go up in flames
The only child that carried his name
The Piaceczner

Leading in the darkest days
Turning agony into silent praise
Like only the Piaceczner can

זכותו יגן עלינו
ועל כל ישראל
לחיים חסידים, לחיים!

THE REBBE OF PIASECZNO WAS TRULY AHEAD OF HIS TIME. HIS APPROACH TO CHINUCH WAS GROUNDBREAKING, AND HIS DEEP EMOTIONAL INTELLIGENCE TRANSFORMED THE WAY HE UNDERSTOOD AND GUIDED OTHERS.

SADLY, OVER TIME, MODERN CHASSIDIC CULTURE HAS OFTEN NARROWED THIS GIANT OF A MAN INTO LITTLE MORE THAN A SIMPLE CARLEBACH STORY. IN THIS SONG, I TRY TO PAY TRIBUTE TO HIS TEACHINGS THAT CONTINUE TO INSPIRE ME, AND TO THE POWERFUL STORY OF HIS LIFE. ה"יד

If you've read this far and made it to the end, unless you're the graphic designer (hi Yechiel) it probably means you listened and really paid attention.

I'd like to thank you for giving my music your time and your ears. It truly means more to me than I can put into words. Listeners like you are the reason I create and keep creating.

One small favor: if you've made it all the way here, tell me next time you see me. I'd love to know.
Thanks for listening, and until next time,
