In reality, I am a dreamer. I so enjoy the fantasy of creative color in ideas, thoughts, beauty, talent and, needless to say, in music. When dreams surprisingly come alive it is my euphoria. My gratitude to Hashem for those gifts He shares with us is so vast.

Boruch Sholom Blesofsky, a unique talent was presented to me. My reaction to this breath of fresh air was pure unadulterated glee. Immediately, I felt an almost moral duty to nurture this musical genius who did not grasp the magnitude of the artistry he possesses, and thus Hashem's gift to the world might simply dissipate.

We embarked on what became a four year metaphoric journey; a music industry veteran and a neophyte, 25 year old super sweet Chabad hipster. We have traversed many milestones, including Boruch Sholom's marriage, the birth of his baby girl, and the unfortunate death of his beloved mother a'h. This album bears imprints of each memorable landmark.

I humbly and proudly present to you Boruch Sholom Hakohen Blesofsky and his debut album B'shvili. This record was created for the world to take pleasure in his talent.

I feel like I have shaped a most unique diamond and now its radiance is glistening.

Yeedle maven's will detect my musical footprints carved into every track.

Listeners, relish each note, connect with the groove, bask in the warmth and soul.

Boruch Sholom, spread your wings & fly.
Listener, enjoy the high.

Yeedle, 2015

THANK YOU

...to my beloved **parents, in-laws & siblings**; your love and care are invaluable to me.

...to my lovely wife **Faige & our children** - an unending source of pride. Your continued support in all my endeavors gives me the impetus to carry on. You are my everything.

...to my brother across the sea, **Moga Kahn**, for your enthusiasm and dedication to this and all of my projects.

...to my comrade, **Eli Lishinsky**. What a musically enlightening experience to produce an album with your involvement throughout the whole project process. Your attention to detail and commitment to excellence, rendered with nonpareil musicianship, distinguish you.

...**Nir Graff**. I was so fortunate to work with a teddy bear who is also a sound librarian. Your keen musical instincts, fused with incredible energy, inspired the vibe on the album. The outcome is an edgy, innovative & complex record that spotlights key aspects of our Yiddishkeit. Kudos!

...to the incomparable **Lipa Schmeltzer**. Your artistic musical aptitude and pure creativity ensured that each song was fit with the perfect lyric. Brainstorming together was a harmonious odyssey I enjoyed so much. You created masterpieces, and I am so grateful.

...to **Chani Garelik** for the evocative lyrics co-written with Lipa. The brilliance in your work is the combination of sophistication in word usage and true value toichen. Noted appreciation for juggling this project despite the many roles you play.

...to **Esti Zicherman** for finagling time to devote yourself with supreme passion to this and all my projects.

...to **Shulem Lemmer** The sweetness in your melodic harmonies are illustrative of your genteel and kind personality. It has been delightful to work together with you once again.

Yeedle, I have never met someone so talented and yet so humble. Before I met you I had ideas, and thanks to you, they are now songs. Thank you for taking a wild risk by taking me under your wing. You gifted me with your Yeedle University. Your priceless lessons you have in-born from your illustrious musical DNA and fine-tuned over 20 years in the music business. You molded me and my music. Bishvili, you believed in me and for that I thank you endlessly. You taught me by example and practice, what it is to be a "Jewish artist." Hashem should bless you the way He blessed me--by having you as a friend.

Thank you

...to my dear father, **Aaron Blesofsky** for molding me into the man I am today. I hope to make you proud.

TEFILAH L'MOSHE
תפלה למשה

A prayer by Moses, the man of Hashem. my Lord, You have been a shelter for us in every generation. Before the mountains came into being, and You brought forth the earth and the inhabited world, forever and ever, You are Almighty Hashem. You bring man to the crushing point, and You say, "Return, children of man."

Psalm 90

תפלה למשה איש האלוקים, אדני מעון אתה היית לנו בדר ודר. בטרם הרים ילדו, ותחולל ארץ ותבל, ומעולם עד עולם אתה קל. תשב אנוש עד דכא, ותאמר שובו בני אדם.

TIME OF MY LIFE

Composed by: **Boruch Sholom Blesofsky**
Interlude Composition: **Boruch Sholom & Yeedle**
Arrangements by: **Boruch Sholom, Yeedle & Eli Lishinsky**
Lyrics: **Lipa Schmeltzer & Chani Garelik**
Music: **Eli Lishinsky & Nir Graff**

There was a time in my life
When everything seemed wrong
There was a time in my life
I felt all alone
There was a time of my life
I didn't feel at home at all

There was a time of my life
Couldn't feel the pain
A time of my life
that all seemed insane
Frozen and lost
Didn't think i had hope at all

Today is the day that I wake up inside
to give myself away
I can walk on my own, as you guide me
through every detail in my day
Every day is today, I wake up inside
To Hashem I leave it all
I can rise in the air- I'm free of all cares,
I know it's all in Your control
There was a time in my life

I was hidden in that place
Don't know where it was
But there was nothing to embrace
Now I feel the sun shining on my face
these days

Hashem by your help I truly am amazed
You never let me down,
at my soul You gaze
Like a fathers only child
With so much love You raised me always

Today is the day that I wake up inside
to give myself away
I can walk on my own, as you guide me
through every detail in my day
Every day is today, I wake up inside
To Hashem I leave it all
I can rise in the air- I'm free of all cares,
I know it's all in Your control

I know that moments pass by way
too fast they never come back
Oh-catch time in your hand and make it last

I seen the steps I take
seen mistakes I make
I know You always welcome me home
You make me see I am never alone
I can be all my all

So I pray to You Lord, each day that
I can give myself to You...
I can walk on my own as You guide me
through every detail in my day
Every day is today, I wake up inside
To Hashem I leave it all
I can rise in the air- I'm free of all cares
(I know) it's all in Your control

There was a time of my life
it all changed so fast
A time in my life- how a split second last
Left all the then, for the sun to be
shining on and on

SCREAMING

FT. SHULEM LEMMER

Composed by:
Boruch Sholom Blesofsky & Yeedle
Arrangements by:
Boruch Sholom, Yeedle & Eli Lishinsky
Lyrics:
Lipa Schmeltzer & Chani Garelik
Music:
Eli Lishinsky & Nir Graff

Have you seen that man in his Tallis
Angels in red tears screaming Your name
In Jerusalem Your holy palace
Knowing You're always there
They were screaming Your name

Have you seen that child who was crying
On the mountaintop screaming the name
Of his father there who lay dying
Knowing You're always here, he was
Screaming Your name
Screaming Your name
Screaming Your name

Screaming
Oh please not any more
Screaming
Our hearts can't any more
You promised to take us, embrace us,
bring us home again

Screaming
Please hear us we ask
Screaming
Haven't we finished our task
Through the crying and rivers
of tears in our veins

Spare us sacrifice and all horror
Cradle our weary souls on travels of old
Haven't we all screamed, piercing terror
Even in silence- we are screaming
Your name

Can you show us hope, we so need it
As we struggle through, entangled in pain
We know You still believe in Your children
Forever 'n ever more -
we hold on just the same
Believe in Your name
in Your holy name
Your holy name

Screaming
Oh please not any more
Screaming
Our hearts can't any more
You promised to take us, embrace us,
bring us home again

Screaming
Oh please hear how we ask
Screaming
Haven't we finished our task
Through the crying and rivers
of tears in our veins

NO we never stop believing
Oh the Divine eye's never sleeping
Lo Yanum v'lo Yishan Shomer Yisroel

Dreaming
Oh there is a reason
we've been dreaming
Dreaming
You gave us prophecy;
a promise lives on and on
Believing, Believing
Lo Yanum v'lo Yishan Shomer Yisroel
Dreaming

Return, O Lord, how long? And repent about Your servants.
Satiate us in the morning with Your loving-kindness, and let us sing praises and rejoice with all our days

May Your works appear to Your servants, and Your beauty to their sons.

And may the pleasantness of the Lord our Hashem be upon us, and the work of our hands establish for us, and the work of our hands establish it.

Psalm 90

שובה ה' עד מתי, והנחם על עבדיך.
שבענו בבקר חסדך, ונרננה ונשמחה בכל ימינו.
יראה אל עבדיך פעלך, והדרך על בניהם.
ויהי נעם ה' אלוקינו עלינו, ומעשה ידינו כוננה עלינו ומעשה ידינו כוננהו.

VAYECHULU

FT. YEEDLE

ויכולו

Composed by: **Boruch Sholom Blesofsky**
Arrangements by: **Boruch Sholom, Yeedle & Eli Lishinsky**
Music: **Eli Lishinsky & Nir Graff**
Drums: **Eran Asias**

The heavens and the earth and all their hosts were completed.
And Hashem finished by the Seventh Day His work which He had done.

And Hashem Blessed the Seventh Day and made it holy, for on it He rested from all His work which Hashem created to function.

He was a shield to our fathers with Hs word; He resurrects the dead by His utterance; He is the holy (King) Hashem like whom there is none. He gives rest to His people on His Holy Shabbat.

ויכולו השמים והארץ וכל צבאם. ויכל אלוקים ביום השביעי מלאכתו אשר עשה, ויברך אלוקים את יום השביעי ויקדש אתו, כי בו שבת מכל מלאכתו אשר ברא אלוקים לעשות.

מגן אבות בדברו מחיה מתים במאמרו הקל הקדוש שאין כמוהו המניח לעמו ביום שבת קדשו.
