Dear Friend
There is so much to SAY but only so much time to DO.
Wherever you find yourself embrace it, cause thats exactly where hashem wants you to be.
I call it the Neshama Dance

Ruli Ezrachi,
You're a beautiful soul and it's heard in every chord.
We did it!

Sruly Wertzberger -Nigun & Chaim Loeb,
Thanks for all the hard work. Let's distribute some love.

MBD,
Thanks for giving Jewish music a Yeedle

My brother Shmuly,
Lighting up the world one day at a time.

To my wife Mushky,
This dance is for you!

Mendy Worch,
Thanks for giving us a glimpse of what's to come.
You're a king!

Yidel Spitzer- AudioZone
For making Jewish music tangible.

Yeedle,
I'm here because of you, Mazel Tov!

Joseph Grossman,
וטהר ליבנו לעבדך באמת just because I can.

To my dear children Zlata & Chaim,
Let's dance together forever.

BORUCHSHOLOM
ברוך שלום
